# Little Muslims, Beautiful Manners

Kind. Honest. Polite. Grateful.

**Twelve good manners from the Qur'an and Sunnah, with stories and daily practice**

12 manners · short stories · Qur'an and hadith · weekly trackers · certificate

WELCOME

# Assalāmu ʿalaykum, little Muslim!

Allah loves good manners. The Prophet ﷺ said: **“The best of you are those with the best character”** (al-Bukhārī 3559, Muslim 2321). In this book you will learn **twelve beautiful manners**. Each one has a short story, words from the Qur’an or the Prophet ﷺ, and something to practise this week.

## How to use this book

- Read one chapter each week with your grown-up.
- Talk about the story and the questions.
- Practise the three things. Tick the week tracker each day.
- Be kind to yourself: manners grow slowly, like a plant.

## A note for parents and teachers

Children learn manners mostly by **watching us**. Let them see you greet, thank, apologise and stay calm. Praise the manner when you see it: “That was so kind of you.” The names in the stories are examples. Feel free to replace them with your own children’s names.

MANNER 1 OF 12 · GREETING

## Think about it
