GUIDE

إِنَّ مِنْ خِيَارِكُمْ أَحْسَنَكُمْ أَخْلَاقًا

"The best of you are those with the best character." (al-Bukhārī 3559, Muslim 2321)

Month 3

Character That Lasts

Truthfulness, respect, self-control and gratitude. A guide for students for each live session this month.

بِسْمِ اللَّهِ الرَّحْمٰنِ الرَّحِيمِ

Month 3: Character That Lasts

Grades fade; character stays. This month you work on four qualities that shape how people see you and how you see yourself.

> إِنَّ مِنْ خِيَارِكُمْ أَحْسَنَكُمْ أَخْلَاقًا
>
> **“The best of you are those with the best character.”**

This month at a glance

Week	Deen	Educational Development	Skills	Personal Development
Week 1 Truthfulness	Ṣidq: being truthful	Honest work	Check before you share	Integrity in private
Week 2 Respect and kindness	Honouring parents	Respect in class	Online manners	Empathy
Week 3 Self-control	Anger and the strong person	Handling feedback	Calm conflict skills	Pause and breathe
Week 4 Humility and gratitude	Shukr: gratitude	The word “yet”	A thank-you note	Confident and humble

The month’s challenge

Seven days without a lie, an insult or a raised voice. Write down how you did each night.

Week 1 Truthfulness

Deen: Ṣidq: being truthful

The Prophet ﷺ said truthfulness leads to righteousness, and righteousness leads to Paradise; a person keeps telling the truth until he is written truthful with Allah (al-Bukhārī 6094, Muslim 2607).

Try it this week

For one week, say only what is true, even in small things like “I’m on my way”.

My notes and questions

.....

.....

.....

Educational Development: Honest work

Copying and cheating steal from yourself, because you skip the learning. Honest marks, even low, show you where to improve.

Try it this week

Write down one time you were tempted to copy or pretend. What will you do differently?

My notes and questions

.....

.....

.....

.....

.....

Skills: Check before you share

A message forwarded without checking can spread a lie. Ask who said it, where it came from, and whether anyone reliable confirms it.

Try it this week

Take one viral message you received and try to find its source.

My notes and questions

.....

.....

.....

.....

.....

Personal Development: Integrity in private

Integrity is doing the right thing when no one is watching, because Allah sees. It is the foundation of trust.

Try it this week

Choose one thing you will do the right way this week even if nobody would notice.

My notes and questions

.....

.....

.....

.....

.....

Week 2 Respect and kindness

Deen: Honouring parents

Allah commands good treatment of parents and forbids even saying “uff” to them (al-Isrāʾ 17:23). Their rights come right after His.

Try it this week

Do one unrequested favour for a parent each day this week.

My notes and questions

.....

.....

.....

.....

.....

Educational Development: Respect in class

Listening without interrupting, raising your hand and thanking the teacher make learning better for everyone.

Try it this week

In each session, listen fully when others speak and wait for them to finish.

My notes and questions

.....

.....

.....

.....

.....

Skills: Online manners

Words typed hurt as much as words spoken, and they last longer. Write as if the person were in front of you.

Try it this week

Before sending a message when you are annoyed, wait ten minutes and reread it.

My notes and questions

Personal Development: Empathy

Empathy is seeing the world through another person's eyes. It begins with listening, not fixing.

Try it this week

Ask one person how they are, and just listen for two minutes.

My notes and questions

Week 3 Self-control

Deen: Anger and the strong person

The Prophet ﷺ said the strong person is not the one who wrestles others, but the one who controls himself when angry (al-Bukhārī 6114, Muslim 2609).

Try it this week

When you feel angry this week, say "Aʿūdhu billāhi", change your position and wait before you speak.

My notes and questions

.....

.....

.....

.....

.....

Educational Development: Handling feedback

A correction is a gift. Thank the person, ask what to do next, and avoid arguing in the moment.

Try it this week

Ask a teacher for one thing to improve and write it down without defending yourself.

My notes and questions

.....

.....

.....

.....

.....

Skills: Calm conflict skills

To solve a disagreement: listen first, say how you feel using “I”, and look for a fix you can both accept.

Try it this week

Practise the three steps with a friend on a small disagreement.

My notes and questions

Personal Development: Pause and breathe

Between a feeling and a reaction there is a gap. A slow breath makes the gap longer and your choices better.

Try it this week

Practise five slow breaths (in for 4, out for 6) whenever you feel stressed this week.

My notes and questions

Week 4 Humility and gratitude

Deen: Shukr: gratitude

Allah promises to increase those who are grateful (Ibrāhīm 14:7). Gratitude is said with the tongue, felt in the heart and shown by using blessings well.

Try it this week

Each night, say three blessings aloud and thank Allah for them.

My notes and questions

.....

.....

.....

.....

.....

Educational Development: The word “yet”

Saying “I can’t do this” closes the door; “I can’t do this yet” opens it. Skills come from effort over time.

Try it this week

Write down one thing you cannot do yet and one small step toward it.

My notes and questions

.....

.....

.....

.....

.....

Skills: A thank-you note

A short, specific thank-you shows maturity. Say what the person did and what difference it made.

Try it this week

Write a short thank-you message to a teacher or a parent.

My notes and questions

.....

.....

.....

.....

.....

Personal Development: Confident and humble

Humility is not thinking less of yourself; it is thinking of yourself less. You can be confident in your effort and still ready to learn.

Try it this week

Ask someone you respect for honest feedback on how you treat people.

Praise character when you see it: “I noticed you told the truth even though it was hard.” Model the same qualities, and apologise when you fall short; teenagers learn most from what they see.

- **What the monthly report shows.** Your teenager’s facilitator sends a report each month with attendance, a rating for each of the four pillars, assignments handed in and a personal note.
- **Three questions to ask this month.** What did you learn that surprised you? Which session helped you most, and why? What is one thing I can do to support you?
- **How to help.** A calm place and time to study, early nights, and your interest. Praise effort and honesty more than marks.
