Month 10

Service and Leadership

Serve, lead, plan and reflect. A guide for students for each live session this month.

بِسْمِ اللَّهِ الرَّحْمٰنِ الرَّحِيمِ

Month 10: Service and Leadership

Leadership begins with service. This month you look for a real need, plan a small project and carry it through with your team.

This month at a glance

Week	Deen	Educational Development	Skills	Personal Development
Week 1 Serving	Helping others	Seeing a need	Teamwork roles	Take initiative
Week 2 Leading	Trust and competence	Goals and measures	Running a meeting	Lead by example
Week 3 Planning a project	Ikhlāṣ in service	Plan the steps	Delegating and communicating	Handling setbacks
Week 4 Doing and reflecting	Cooperating in good	What worked?	A short report	Grateful in success

The month’s challenge

Complete a small service project with at least two others, and write a half-page report on it.

Week 1 Serving

Deen: Helping others

The Prophet ﷺ said that Allah helps His servant as long as the servant helps his brother (Muslim 2699). Service is worship when done sincerely.

Try it this week

Do one act of service at home each day this week without being asked.

Educational Development: Seeing a need

Good projects begin with observation. Walk around your home, school or street and note what is missing or broken.

Try it this week

List three needs you noticed in your community and who is affected.

My notes and questions

.....

.....

.....

.....

.....

Skills: Teamwork roles

Teams work when roles are clear: someone leads, someone records, someone contacts, someone checks.

Try it this week

In a small group, assign these four roles for a short task and rotate them.

My notes and questions

Personal Development: Take initiative

Initiative means acting without waiting to be told. It is the difference between a helper and a leader.

Try it this week

Start one small thing this week that nobody asked you to do.

My notes and questions

Week 2 Leading

Deen: Trust and competence

Yūsuf ﷺ asked to be put in charge because he was a trustworthy keeper and knowledgeable (Yūsuf 12:55). A leader needs both integrity and skill.

Try it this week

Write two ways to grow your trustworthiness and two ways to grow your competence.

My notes and questions

.....

.....

.....

.....

.....

Educational Development: Goals and measures

A goal you cannot measure cannot be judged. Decide how you will know the project worked.

Try it this week

Write a goal for a small project with a number and a date.

My notes and questions

.....

.....

.....

.....

.....

Week 2: Leading (continued)

Skills: Running a meeting

A good meeting has an agenda, a time limit, one person speaking at a time and notes of what was decided.

Try it this week

Run a 15-minute meeting with an agenda and write the decisions.

My notes and questions

Personal Development: Lead by example

People follow what you do more than what you say. Do first what you ask of others.

Try it this week

Choose one standard you want from your team and keep it yourself for a week.

My notes and questions

Week 3 Planning a project

Deen: Ikhlāṣ in service

Sincerity protects good deeds from showing off. Serve for Allah and do not wait for praise.

Try it this week

Before you start your project, renew your intention and make du'ā for acceptance.

My notes and questions

.....

.....

.....

.....

.....

Educational Development: Plan the steps

List the steps, the people, the materials, the dates and the budget. A plan on one page is enough.

Try it this week

Write a one-page project plan with steps, dates and who is responsible.

My notes and questions

.....

.....

.....

.....

.....

Week 3: Planning a project (continued)

Skills: Delegating and communicating

Delegate by saying what, by when and why, then check in. Clear communication prevents most problems.

Try it this week

Give a team member a clear task with a date and follow up on the day.

My notes and questions

Personal Development: Handling setbacks

Things go wrong. Leaders stay calm, adjust the plan and learn from it rather than blaming.

Try it this week

Write down what you will do if the project is delayed, and who you will ask for help.

My notes and questions

Week 4 Doing and reflecting

Deen: Cooperating in good

Allah commands us to cooperate in righteousness and piety (al-Māʾidah 5:2). A team that works together achieves what individuals cannot.

Try it this week

Thank each team member by name and say what they contributed.

My notes and questions

.....

.....

.....

.....

.....

Educational Development: What worked?

After a project, ask what worked, what did not, and what you would change. This turns experience into learning.

Try it this week

Write three things that worked and three to change next time.

My notes and questions

.....

.....

.....

.....

.....

Week 4: Doing and reflecting (continued)

Skills: A short report

A report states the goal, what was done, what happened and what you learned, in half a page.

Try it this week

Write a half-page report on your project and share it with your facilitator.

My notes and questions

.....

.....

.....

.....

.....

Personal Development: Grateful in success

When things go well, credit Allah and the team. Humility keeps success from spoiling you.

Try it this week

Make a duʿā of thanks and tell your team what you appreciated about working with them.

Month review

Rate yourself honestly from 1 (needs support) to 5 (excelling), then write one win and one thing to improve.

A page for parents

Encourage your teenager to join or start a small community service. Let them lead, even if it is not done your way, and ask what they learned.

- **What the monthly report shows.** Your teenager's facilitator sends a report each month with attendance, a rating for each of the four pillars, assignments handed in and a personal note.
- **Three questions to ask this month.** What did you learn that surprised you? Which session helped you most, and why? What is one thing I can do to support you?
- **How to help.** A calm place and time to study, early nights, and your interest. Praise effort and honesty more than marks.

رَبَّنَا هَبْ لَنَا مِنْ أَزْوَاجِنَا وَذُرِّيَّاتِنَا قُرَّةَ أَعْيُنٍ وَاجْعَلْنَا لِلْمُتَّقِينَ إِمَامًا

"Our Lord, grant us from our spouses and offspring comfort to our eyes and make us a leader for the righteous."

Al-Furqān 25:74
