About this prospectus

This prospectus describes our programmes, fees and policies for the 2026–2027 session. Fees, timetables and admission status can change during the year. The website, himaayahschools.com, always shows the latest information, and our policies page is the final word where the two differ.

بِسْمِ اللَّهِ الرَّحْمَٰنِ الرَّحِيمِ

TO INTENDING PARENTS AND STUDENTS

A welcome from our Founder

Assalāmu ʿalaykum wa raḥmatullāh.

Every parent who writes to us is asking the same quiet question: will my child grow into someone the world can trust? Every student who enrols is asking a quieter one: can I become more than I am today? This prospectus is our answer to both, and the answer is yes, when the work is done properly.

Himaayah was founded on a belief I hold firmly. Knowledge is a trust. Allah places it in a person's hands together with opportunity and responsibility, and a person who receives all three without discipline, courage and a moral compass will drop what they were given. This school exists to build the person who can carry it.

That is why we refuse to be a place that only helps a student finish. Any institution can help a child pass an exam, memorise a page or collect a certificate. We want the surah still on the tongue in ten years, the study habit still alive in the first job, and the character still standing when nobody is watching. What lasts is what we build, and we build it with structure: a dedicated teacher for every class, honest testing, and a monthly report that tells a family the truth.

Our name, Himāyah, means protection, and we take it as a promise. We protect a student's faith from the noise around it, their focus from the distractions that cut it into pieces, and their future from the idea that it is too late or too far away. A protected student is free to grow, and a student who grows becomes someone others can lean on.

Look at who walks through our doors: a child learning the letters of the Qur'an, a candidate preparing for the paper that decides a course, a teenager learning to run a day well, a beginner building a first real skill. Every one of them is a person being made, one lesson at a time. That is the work, and it is why I do it.

Read these pages slowly. Take a placement test. Ask us the hard questions. Then join us, and let us help you or your child carry knowledge well, in shā' Allāh. We would be honoured to teach you.

Kaatib Yusuf

01 Who we are

Himaayah Schools is a school for students who want a real relationship with the Qur'an, strong academics, and the discipline to carry both through life.

Our story

Himaayah is two years old, and every year we have deepened what we teach. Today we run four programmes under one roof, for students who want the Qur'an and Islamic knowledge, top exam results, practical skills, or all three.

Behind every class is the same promise: taught properly, and paced to the student in front of us. A student is never rushed past what they have not yet learned, and never held back from what they are ready for.

Our name and crest

> حِمَايَة
>
> Himāyah (حماية) is the Arabic word for **protection**, and our crest is a **shield**. It is the standard we hold ourselves to: protecting a student's faith, their focus and their future, while we help them grow into someone who can lead.

Our vision

A generation grounded in deen, strong in knowledge, and ready to serve with purpose.

We want every student who comes through Himaayah to leave better prepared for this life and the next.

Our crest, explained

A shield, a student and a rising path

Our crest is a shield, because **Himāyah means protection**. Every part of it says something about how we look after the student in our care.

The shield stands for the care we take over a student's faith, focus and future.

The circle at the centre is the student. Everything we build is arranged around them.

The rising peak above is growth: the path from learning to leading, and the height we want every student to reach.

The curved base below is the foundation. It holds the student up with a steady grounding in deen and knowledge.

Our colours

Deep Navy #062F4D	Depth, trust and seriousness of purpose. It is the colour of our crest, covers and main headings.
Ink Blue #094570	Steadiness and discipline. We use it for buttons, links and the details that guide the reader.
Sky Blue #85CCFF	Openness and aspiration: the sky our students are reaching for. It is our accent and highlight colour.
Pale Sky #E3F2FD	Calm and clarity. It is the soft background that keeps every page light and easy to read.

Programme accents. Each programme also has its own accent so families can tell them apart at a glance: green for the Madrasah, blue for the Academy, gold for the Skills School and purple for the Teenagers Building Circle.

Our type and how we use the crest

Two typefaces

Headings are set in Bricolage Grotesque, which is confident and warm. Body text is set in Inter, which stays clear on any screen or page.

Using the crest

Use the crest in Deep Navy on light backgrounds and in white on dark ones. Please keep clear space around it, and do not stretch, tilt or recolour it.

Our mission: four commitments

Everything we teach comes back to these four

1. **Ground students in deen.** Teach the faith and its practice in a way students can carry beyond the classroom.
2. **Build strong academic foundations.** Give students the structure, teaching and practice they need to succeed in the exams that open doors.
3. **Develop practical skills.** Equip students with abilities they can actually use, from public speaking to graphic design and data analysis.
4. **Shape character and purpose.** Nurture discipline, consistency and good character, so students grow into people who use what they know well.

What we believe about teaching

Taught properly, paced to the student

Groups move at a shared pace and one-on-one classes move at the student's. Either way, nobody is rushed past what they have not yet learned.

Structure beats good intentions

Daily tasks, a reading club, brainstorming sessions and daily CBT quizzes. Our students don't hope to be ready. The week is built to make them ready.

Faith and academics belong together

Deen, educational development, skills and personal development are touched every week, not one this term and one the next.

Teachers who stay

Every class has a dedicated teacher, and progress is tracked class by class, surah by surah, with tests and exams, so a student always knows where they stand.

02 Our leadership

The founder and the administrators who plan every class, look after every student, and answer for the standard.

KY

Kaatib Yusuf

Founder

Kaatib Yusuf is a Nigerian writer, educator, entrepreneur and systems builder whose work sits at the intersection of writing, education, personal development, faith and human formation.

He is the founder of One Growth, a personal development organisation that has reached thousands of young people through mentorship, writing and academic initiatives. His book *Facing The Dreams You Let Die* has reached more than 16,000 readers across four continents. He is committed to building institutions that outlive their founders.

DM

Dauda Mubarak

Director of the Academy

Mubarak is committed to making affordable, quality education accessible to the Ummah. In the last two years, the students he has taught and mentored include more than 50 who scored 300 and above in UTME, one who scored above 360 in two consecutive years, two who earned 16 points in JUPEB, and one who finished 100 Level with a perfect CGPA.

He is deepening his knowledge of cognitive science and data science and applying it to help the Academy's students succeed.

MS

Mujaheed M. Sirajudeen

Director of the Hifdh Programme

An Arabic educator, Qur'anic teacher, mentor and researcher whose engagement with the Qur'an spans memorisation, tajwīd, the Qur'anic sciences and teaching. He has taught across traditional schools, madāris, foundations and online platforms in Nigeria and internationally, served as Head Teacher at Khoirōt Foundation, and co-initiated Mahdu Tanzil, a free Qur'an learning circle.

He holds a B.A. Ed. in Arabic from Bayero University Kano and a Diploma in the Teaching of Arabic and Islamic Studies, and continues his Qur'anic studies with Takrar, a Saudi Arabia-based institute.

AO

Abdulsomad Olaide Amobi

Director of the Teenagers Building Circle

A Chemical Engineering graduate of the University of Ilorin with a passion for research, technology, mentoring and community service. Students he has tutored are now doing well at the University of Ilorin, University of Ibadan, ABU, LAUTECH and elsewhere.

He has been part of Himaayah since 2024, first tutoring UTME students, and now trains the younger generation to grow into responsible adults.

AA

Abdullah Adedokun

Director of Student Affairs

Abdullah leads student affairs at Himaayah Schools, looking after students and families from enrolment onwards. He is also a software engineering enthusiast.

03 The student journey

The details differ by programme, but the shape is the same for every student who joins us.

Five stages, from first contact to moving up

1	**Start where they actually are.** Every student begins with an assessment or a placement conversation, so the class fits them and not the other way round.
2	**Learn live, with a dedicated teacher.** Five classes a week in the Madrasah, classes six days a week in the Academy, four live sessions a week in the Circle, and project-based lessons in the Skills School.
3	**Revise by design.** Murājaʿah and review are built into the schedule, so what is learned stays learned between sessions.
4	**Be tested honestly.** Regular tests and exams, timed practice, and CBT quizzes that match the real exam format.
5	**See progress clearly, then move up.** From Rawdah to Iʿdādiyyah in the Madrasah, from first mock to admission in the Academy. Every step is visible on the student dashboard and in the monthly report.

> مَنْ سَلَكَ طَرِيقًا يَلْتَمِسُ فِيهِ عِلْمًا سَهَّلَ اللَّهُ لَهُ بِهِ طَرِيقًا إِلَى الْجَنَّةِ
>
> **“Whoever follows a path in pursuit of knowledge, Allah will make easy for him a path to Paradise.”**
>
> Narrated by Muslim (2699).

PROGRAMME 01

Madrasah

Learn the Qur’an and deen, one level at a time.

8
levels, Rawdah to Iʿdādiyyah

5
live classes every week

₦12k
a month, from

PROGRAMME 01 · QUR'AN AND ISLAMIC STUDIES

Madrasah

Qur'an memorisation and tajweed, with Islamic studies alongside. Students choose a small group or one-on-one classes, five classes every week, live on Google Meet and Telegram.

8	5	2	₦12k
levels, Rawdah to Iʿdādiyyah	classes every week	four-month semesters a year	a month, from

How the Madrasah runs

Live online

Classes are held on Google Meet and Telegram, so students can join from wherever they are.

Five classes a week

With revision built in, and tests and exams to show real progress.

Two semesters a year

Each semester is four months long, with exams at the end of each.

A teacher, right away

Immediately after payment, a Hifdh student is assigned to a teacher.

What the Full Madrasah teaches

Hifdh and tajweed are taught together with **Tawḥīd** (creed), **Fiqh** (worship and its rulings), **Arabiyyah** (the Arabic language), **Ṣarf** (morphology), **Naḥw** (grammar), **Seerah**, **Ḥadīth** and **Maḥfūẓāt** (memorised texts). The Hifdh Only plans focus entirely on memorisation, tajweed and murājaʿah.

Levels and admission scores

Every student starts at the right level. Entry levels need only a short placement conversation; higher levels have a minimum admission score and set knowledge, checked by a timed online placement test in Arabic at himaayahschools.com/placement.html.

Level	Minimum score	What the student must already know
Rawdah	Open entry	Nothing. For those who cannot yet read and write at all.
Tamheedi	Open entry	For those just starting madrasah: some Arabic letters, or ready to learn them quickly.
Awwal Ibtidā'iyyah	75%	Recognise and pronounce the Arabic letters, read and write simple words, and basic knowledge of Ṣalāh, Ṭahārah and manners.
Thāniyah Ibtidā'iyyah	80%	10 Ḥadīth of an-Nawawī, short texts and adhkār, reading Arabic letters and words, and a basic understanding of manners, worship and creed.
Thālithah Ibtidā'iyyah	85%	The whole Forty Ḥadīth of an-Nawawī, the whole of al-Uṣūl ath-Thalāthah, the introductory portion of Durūs al-Lughah al-ʿArabiyyah, and reasonable reading fluency.
Rābiʿah Ibtidā'iyyah	90%	The whole Forty Ḥadīth, al-Uṣūl ath-Thalāthah, the Lāmiyyah of Ibn Taymiyyah, the prescribed Dīwān of ash-Shāfiʿī, the first series of Durūs completed, and fluent reading with correct writing.
Awwal Iʿdādiyyah	90%	The Forty Aḥādīth of an-Nawawī, al-Uṣūl ath-Thalāthah, Lāmiyyah of Ibn Taymiyyah, the prescribed Dīwān of Imām ash-Shāfiʿī, both series of Durūs, and strong Arabic reading and writing.

Madrasah plans

Plan	What it includes	Fee
Hifdh Only (Group)	Qur'an memorisation and tajweed with murājaʿah, small group, five classes weekly, with tests and exams	₦12,000 / month
Full Madrasah (Group)	Hifdh and tajweed with Tawḥīd, fiqh, Arabiyyah, Ṣarf, Naḥw and seerah. ₦15,000 if hifdh was completed elsewhere	₦20,000 / month
Hifdh Only (Personal)	One-on-one memorisation and tajweed, paced entirely to the student	₦20,000 / month
Full Madrasah (Personal)	Hifdh and Islamic studies, taught entirely one-on-one	₦35,000 / month
One-Year Hifdh	A focused 12-month memorisation track with a milestone to reach and revise every month	₦19,000 / month for 12 months
Muraajah (Group)	For students who have completed the Qur'an: structured revision to make hifdh firm, five classes a week	₦14,000 / month
Muraajah (Personal)	The same revision track, one-on-one	₦20,000 / month

Admission status for 2026–2027

Private (one-on-one) classes are open for Hifdh Only and Full Madrasah, and Muraajah is open in both formats. Group and One-Year Hifdh classes are closed for new students until **10 February 2027**. Families can join the waitlist on our website and we will contact them as soon as places open.

A sample week: Thāniyah Ibtidā'iyyah

Group classes follow a weekly timetable. On a one-to-one plan, the teacher agrees the days and hour with the family after enrolment. All times are West Africa Time.

Day	8:30 – 9:10 pm	9:10 – 9:50 pm
Monday	Tawḥīd	Arabiyyah
Tuesday	Fiqh	Tajweed
Wednesday	Naḥw	Seerah
Thursday	Maḥfūẓāt	Ḥadīth
Saturday	Ṣarf	

The latest timetable for every group is on himaayahschools.com/timetable.html, and each student sees their own on the dashboard.

Madrasah questions, answered

Who can join?

From school age to adults, depending on the plan. Each level lists what a student should already know.

How do I pay?

Once a month, in a single payment: by card at the last step of enrolment or on our Pay Fees page, or by bank transfer with the receipt sent on WhatsApp to your programme's own line. You can also pay ahead, for up to 12 months at once, and it is added to your current due date.

When is my teacher assigned?

Immediately after payment, a Hifdh student is assigned to a teacher, and the teacher agrees class times with one-to-one families.

How do I check progress?

Sign in to the student dashboard with the Student ID and access code we email after payment: hifdh progress, results, payments and assignments.

What books are used?

Teachers choose the books, notes and links for each level, and students find them in the Madrasah library on our website.

How do I know my level?

Take the free Madrasah placement test at himaayahschools.com/placement.html, in Arabic, marked the moment you finish.

02

وَقُل رَّبِّ زِدْنِي عِلْمًا

"My Lord, increase me in knowledge."

Four tracks, one exam-day standard

Track	Covers	Fee
UTME (JAMB) Prep	The full four-subject JAMB combination, with the CBT simulator and live classes	~~₦10,000~~ / month
O-Levels Prep	The core WAEC and NECO subject combination, with live classes	~~₦10,000~~ / month
A-Levels Prep	IJMB, JUPEB and Cambridge A-Level tracks, with live classes	~~₦10,000~~ / month
Post-UTME Masterclass	Screening-exam practice tailored to the institution you are applying to	~~₦10,000~~ / month

What every Academy student gets

Expert-led live classes

Live classes six days a week, aligned with the updated syllabus and taught by previous top scorers. Every class is recorded, so a missed session can be watched back.

Daily and weekly timed mocks

Timed mock examinations every day and every week, so exam conditions feel familiar. Weekly mocks are compulsory.

Daily personal review

A personal review session every day to go over the student's own performance and fix weak topics.

Personalised mentorship

One-to-one mentorship from previous top scorers, including institution-specific coaching for Post-UTME.

CBT simulator

Practice on a computer-based test that matches the real JAMB format and clock.

Reading club

Students set reading targets and stick with them, so steady reading becomes part of their routine. Joining is compulsory.

There is no fixed public timetable for the Academy. After enrolment, the tutor contacts the student and they agree the days and hour together, around school and family. Exam dates for UTME, Post-UTME, WAEC, NECO, IJMB and JUPEB are kept on our Exam Calendars page.

Results in their own words

From Sciences to Arts. First attempt, 294.

One of our students switched from a science combination to Arts and still scored 294 at her first attempt at UTME, with no repeat sitting and no prior background in the new subjects. She is now a Law student at EKSU.

“I had no prior knowledge of my department subjects, but with the help of Allah and my dedicated teachers, I was able to have my score.” **Ameenah, 294 in UTME**

Hussainah · 319 in UTME, 2026

“Everything was structured to make sure everyone puts in their all, from daily tasks to the reading club, to brainstorming sessions, to daily CBT quizzes. It sets the path.”

Hafsah · 299 in UTME

“I didn’t just learn about academics. I learnt resilience, discipline, and how to manage my fears. It gave me teachers that stood by me despite my failures.” Now studying Computer Science at UNILORIN.

Results come from real Himaayah Academy students. Individual outcomes depend on effort, attendance and starting point, so no score or admission can be guaranteed.

03

الإِتْقَان

Mastery

PROGRAMME 03

Skills School

Learn it, then build it.

3	4–8	1
practical courses	weeks per course	real project to show at the end

PROGRAMME 03 · PRACTICAL COURSES

Skills School

Practical courses that end with the student able to actually do the thing, not just describe it. Every course runs for four to eight weeks and finishes with real work the student can show.

3	4–8	100%
practical courses	weeks per course	project-based

BEGINNER

4 weeks

Public Speaking

Structure a talk so an audience remembers the point, and control nerves, pacing and voice under pressure.

Outcome: Closes with a graded talk in front of a live audience.

Fee: ₦25,000, billed once

INTERMEDIATE

6 weeks

Graphic Design

Layout, colour and type fundamentals for real client work, with hands-on practice in industry-standard software.

Outcome: Ends with a small portfolio: a logo, a poster and a social media kit.

Fee: ₦35,000, billed once

ADVANCED

8 weeks

Data Analysis

Clean and organise real, messy datasets, then build spreadsheets, queries and dashboards.

Outcome: Final project: a dashboard built from the student's own dataset.

Fee: ₦80,000, billed every 2 months

There is no fixed timetable. After enrolment, the teacher contacts the student and they agree the days and hour together, around school and family. Not sure which course fits? Tell us what you want to be able to do, and we will point you to the right one.

04

البِنَاء

Building

PROGRAMME 04

Teenagers Building Circle

Building who they will become.

13–19	4	₦40k
years old	live sessions a week	a month

PROGRAMME 04 · AGES 13 TO 19

Teenagers Building Circle

A weekly circle that builds a teenager on four sides at once. Every week touches all four pillars, not a semester of one and a semester of another.

The four pillars

1	**Deen.** Grounding in faith and practice that holds up outside the classroom, not just inside it.
2	**Educational Development.** Study habits and academic footing that carry into every other subject a student takes.
3	**Skills.** Practical ability, the kind you can actually use, not just describe on a form.
4	**Personal Development.** Character and self-management, the part no syllabus tests but every adult needs.

What a week looks like

Every student starts with a diagnostic assessment, so the cohort is built around where each student actually is. From there, it is four live sessions a week with real facilitators, held on Google Meet. Each student gets a monthly session guide, and parents receive a full progress report every month.

- A diagnostic assessment before the cohort begins
- Four live sessions a week across all four pillars, with times set with the facilitator when the cohort forms
- Live sessions on Google Meet, with a link from the facilitator for each session
- A session guide for every month of the year (₦4,000 each, free to facilitators)
- A comprehensive monthly report sent to parents and guardians by email and WhatsApp
- Progress check-ins built around each pillar

13–19	4	₦40,000
years old	live sessions a week	a month, full programme

04 Teaching, assessment and reports

We would rather a family know exactly where a student stands than be told everything is fine. This is how we teach, test and report across the school.

	Madrasah	Academy	Skills School	Circle
Classes	5 live classes a week	Live classes 6 days a week, recorded	Live lessons over 4–8 weeks	4 live sessions a week
Placement	Online placement test in Arabic (75–90% by level)	Online UTME placement test (70% cut-off)	Choose by level	Diagnostic assessment
Assessment	Tests and semester exams; surah-by-surah tracking	Daily and weekly timed mocks; CBT simulator	Graded final project	Pillar check-ins
Where progress shows	Dashboard: hifdh progress, results, payments	Dashboard: mock scores and review	Dashboard and portfolio	Dashboard, check-ins and monthly report

Student dashboard

Every student receives a Student ID and access code once payment is confirmed. The dashboard shows classes and timetable, progress, results, assignments and payments, and links to the library for their level.

Monthly progress reports

On the first days of each month, parents receive an emailed report: attendance, progress, results, teacher notes and fee status, so nothing is a surprise at the end of a semester. In the Circle, the report also shows each pillar rating and a personal note, and is sent by email and WhatsApp as soon as the facilitator closes the month.

Honest testing

Tests match the real format. Madrasah students sit exams at the end of each semester; Academy students sit timed mocks every day and every week.

Teachers who know the student

A dedicated teacher for every class, and one-to-one review in the Academy, so feedback is about this student, not a class average.

05 Student life and community

Learning online does not mean learning alone. Himaayah students belong to classes, cohorts and a wider family of parents, teachers and former students.

The reading club

Academy students set reading targets together and hold each other to them, so steady reading becomes a habit, not a holiday project.

Brainstorming sessions and daily tasks

Small, daily wins that keep students moving between classes, and a space to think through problems together.

The Circle's session guides

Twelve monthly guides, one for each month of the year, with a page for every live session, a habit tracker and a month review. Students buy them from the dashboard for ~~₦~~4,000 each.

Stories from our families

Parents and students share what has changed for them. With their permission, we publish these on our Success Stories page.

> إِنَّمَا بُعِثْتُ لِأُتَمِّمَ صَالِحَ الْأَخْلَاقِ
>
> **"I was only sent to perfect good character."**
>
> Narrated by Aḥmad (8952) and al-Bukhārī in al-Adab al-Mufrad (273).

Parents as partners

Parents are part of the school, not spectators. Every family can follow their child's learning and reach the right person quickly:

- **The monthly progress report** arrives by email at the start of each month.
- **The student dashboard** shows classes, progress, results and payments at any time.
- **A direct line** for each school on WhatsApp, so questions reach the right teacher or administrator.
- **Testimonials and feedback:** we ask families for their honest view and read every response.

The Himaayah anthem

Our anthem is two minutes of what we stand for. It can be heard on the About page of our website.

أَيَا طَالِبَ العِلْمِ يَا ذَا المَعَالِي · أَيَا طَالِبَ الحَقِّ طُولَ اللَّيَالِي

O seeker of knowledge, you of high aims; O seeker of truth through the long nights,

وَيَا رَاغِبًا فِي صَفَاءِ الجِنَانِ · وَفِي شَرْعِ ذِي الكَوْنِ رَبِّ الكَمَالِ

you who long for the purity of Paradise, and for the law of the Lord of all creation, the Lord of perfection:

أَتَانَا بِعَوْنِ الإِلٰهِ الكَرِيمِ · سَفِينُ السَّعَادَةِ كَنْزُ اللَّآلِي

by the help of God, the Most Generous, a ship of happiness has come to us, a treasure of pearls,

لِحِفْظِ الشَّرِيعَةِ وَالدِّينِ وَالْـ · ـعُلُومِ الإِلٰهِي عَنْ كُلِّ غَالِ

to guard the Sharīʿah, the religion and the sacred sciences from every extremist.

وَذَلِكَ مَعْهَدُنَا ذُو الجَمَالِ · لِتَدْرِيسِ حَقٍّ وَدَفْعِ الضَّلَالِ

That is our school, full of beauty, teaching the truth and pushing back misguidance.

بِنَهْجِ الكِتَابِ وَقَوْلِ الرَّسُولِ · وَخَيْرِ القُرُونِ اغْتَنِمْنَا المَعَالِي

On the way of the Book, the words of the Messenger and the best generations, we have taken hold of the heights.

فَيَا رَبَّنَا كُنْ لَنَا سَرْمَدًا · مُعِينًا نَصِيرًا بِحَقِّ الجَلَالِ

So, our Lord, be for us always a helper and a supporter, by Your majesty.

وَبَارِكْ لَنَا دَائِمًا فِي العُلُومِ · وَأَحْسِنْ بِنَا اللَّهُ فِي كُلِّ حَالِ

Bless us always in our learning, and be good to us, O Allah, in every state.

وَصَلِّ عَلَى أَحْمَدَ المُصْطَفَى · مَدَى يَكْمُلُ البَدْرُ بَعْدَ الهِلَالِ

And send blessings upon Ahmad, the Chosen One, for as long as the full moon follows the crescent.

06 Fees at a glance

All prices are in Nigerian naira (₦). Most Madrasah and Academy plans bill monthly; the exact billing is shown on each plan before you pay.

	Full Madrasah (Personal)	Monthly	₦35,000	**Open**
	One-Year Hifdh	Monthly × 12	₦19,000	**Waitlist**
	Muraajah (Group)	Monthly	₦14,000	**Open**
	Muraajah (Personal)	Monthly	₦20,000	**Open**
Academy	UTME (JAMB) Prep	Monthly	₦10,000	**Open**
	Post-UTME Masterclass	Monthly	₦10,000	**Open**
	O-Levels Prep (WAEC · NECO)	Monthly	₦10,000	**Open**
	A-Levels Prep (IJMB · JUPEB · Cambridge)	Monthly	₦10,000	**Open**
Skills School	Public Speaking · 4 weeks	Once	₦25,000	**Open**
	Graphic Design · 6 weeks	Once	₦35,000	**Open**
	Data Analysis · 8 weeks	Every 2 months	₦80,000	**Open**
Teenagers Building Circle	Full programme · ages 13–19	Monthly	₦40,000	**Open**

Paying fees

By card: choose Card at the last step of enrolment, or pay a monthly fee any time at himaayahschools.com/pay.html, on a secure Bachs payment page.

By bank transfer: Wema Bank · Himaayah Ltd · 0127584920. Then send the receipt on WhatsApp to your programme's own line (Madrasah, Academy or General, as listed in the contact directory), using the message the enrolment page prepares for you.

We usually confirm payments within a few hours. A place is only confirmed once we have received the payment.

07 Admissions

Every programme follows the same clear path, and enrolment takes about two minutes.

Five steps from interest to first class

1. **Choose your programme.** Madrasah, Academy, Skills School or the Teenagers Building Circle. Not sure? Take a free placement test or message us.
2. **Get placed at the right level.** Madrasah students sit an Arabic placement test for their level (75% to 90% to pass); entry levels need only a short conversation. Circle students begin with a diagnostic assessment.
3. **Fill in the enrolment form.** Three short steps on our Enroll page: student information, programme and plan, then payment.
4. **Pay by card or bank transfer.** Card payments are confirmed on a secure payment page; for transfers, the account and amount are shown on the last step.
5. **Send your receipt and receive your login.** After a transfer, the form opens WhatsApp with a message ready for your plan. Once payment is confirmed we email the Student ID and access code for the dashboard.

What each programme asks of you

Madrasah

Placed by level, from Rawdah to Iʿdādiyyah. Entry levels need no minimum score; Ibtidāʾiyyah levels need 75% to 90%; Awwal Iʿdādiyyah needs 90% plus the prescribed memorisation.

Academy

Choose your exam track. A free UTME placement test (Science or Arts, 70% cut-off) shows where you stand; you can enrol whatever you score.

Skills School

Choose by level: Public Speaking (beginner), Graphic Design (intermediate) or Data Analysis (advanced).

Teenagers Building Circle

Ages 13 to 19, with a diagnostic assessment before the cohort begins.

Information we ask for

Student details (full name, date of birth, grade level), the **programme and plan**, any referral code, and **next-of-kin** details. A parent or guardian completes these for students under 18.

08 School policies

Clear rules, written plainly. The full, current version is on himaayahschools.com/policies.html.

Refunds

When	What happens
Before classes start	You may request a **full refund** at any time.
In the first week of classes	You may request a refund, and we will process it.
After one week from the start of classes	**No refund** is given, for any reason. Later monthly payments are not refundable once their billing period has started.
If we cancel	If we cancel a class or cohort and cannot offer a suitable alternative, you receive a full refund for the affected period.

To request a refund, email himaayahschools@gmail.com with the student's name, the plan, and the date and method of payment. Approved refunds go back to the original payment method.

Plan changes and cancellation

Email us with your name and current plan and we will help you switch. Changes take effect from the next billing period. To stop a recurring plan, tell us before your next billing date.

Conduct and attendance

Himaayah Schools is built on deen, discipline and respect. We expect all students and parents to:

- Treat teachers and classmates with courtesy, in class and in group chats.
- Attend live sessions on time and complete assigned practice.
- Keep class links, materials and recordings private, and not share or resell them.
- Follow Islamic etiquette and the school's guidance during Madrasah and Circle sessions.

We may remove a student from a class or programme for repeated serious misconduct. Where that happens after the one-week refund window, no refund applies.

Results and exam information

Our results come from real students, but outcomes depend on effort, attendance and starting point, so we cannot guarantee any score, admission or grade. Always confirm exam dates with JAMB, WAEC, NECO or the institution.

Privacy and safeguarding

We handle personal information in line with the **Nigeria Data Protection Act 2023**. We never sell student or parent information. Information about minors comes only through a parent or guardian, and we publish a student's name, score or photo only with permission. You may ask to see, correct or delete your information at any time.

09 Support for families

Beyond the classroom, a few things that make it easier to start, to stay and to bring others along.

Ask us anything first

Message the right line on WhatsApp before you pay: the Madrasah, Academy or general line. We will help you choose the right programme and level.

Free placement tests

Madrasah level tests in Arabic and a timed UTME test for Science or Arts, marked instantly with a full breakdown by subject. Take one at himaayahschools.com/placement.html.

Free guides

Steady Hifdh (ten steps to consistency in memorising the Qur'an) and **Five Ways to Ace UTME** (with a 12-week plan). Download both free at himaayahschools.com/resources.html.

Sponsor a student

Families who want to give can pay part or all of a student's fees through our sponsorship fund, and receive updates on the student's progress. See himaayahschools.com/sponsor.html.

Refer and earn

Share your referral code. When a family enrols with it, you earn 10% of their enrolment fee. Details at himaayahschools.com/refer.html.

Pay fees online

Pay monthly fees by card in a minute at himaayahschools.com/pay.html, using the student's ID.

وَقُل رَّبِّ زِدْنِي عِلْمًا

"And say: My Lord, increase me in knowledge."

Ṭā Hā 20:114

10 Contact directory

We have a line for each part of the school, so your question reaches the right person the first time. Every line takes calls and WhatsApp messages.

Line	Number	Ask about
Academy	+234 806 604 3320	UTME, Post-UTME, WAEC, NECO and A-Levels; placement tests; Academy enrolment
Madrasah	+234 702 584 2849	Qur'an memorisation, class levels, admission scores and Madrasah plans
General	+234 704 722 6487	Skills School, the Teenagers Building Circle, payments, plan changes and anything else
Email	himaayahschools@gmail.com	Refunds, plan changes, privacy requests and general questions
Online	himaayahschools.com	Enrolment, fees, timetables, free guides, dashboards and success stories
Social media	@himaayahschools	Instagram, X and LinkedIn

Ready to begin?

Three ways to take the next step

1. **Take a free placement test** at himaayahschools.com/placement.html to find your level.
2. **Message the right line** on WhatsApp with any question about levels, tracks or fees.
3. **Enrol online** at himaayahschools.com/enroll.html. It takes about two minutes.

Where we are

Himaayah Schools is based in **Ado-Ekiti, Ekiti State, Nigeria**. All classes run online, so students join from home, wherever they are in Nigeria or abroad.

Your seat is open.

Enrolment takes about two minutes online. Pay by card or bank transfer, and we confirm your place, usually within a few hours.
