MY INTENTION FOR THIS YEAR

How to use this diary

Every day of 2027 has its own page. Spend two minutes in the morning and two minutes at night. That is all it takes.

EVERY MORNING

- Write your intention (niyyah) for the day.
- Choose your top three tasks.
- Note your classes and homework.

THROUGH THE DAY

- Tick each prayer when you have prayed it.
- Tick your morning and evening adhkār.
- Write what you read from the Qur'an.

EVERY NIGHT

- Write what you learned today, and one good deed you did.
- Make duʿāʾ, then plan tomorrow.

EVERY MONTH

- Fill in the month page with your goals, exams and deadlines.
- At the end, fill in the review page and be honest with yourself.

ABOUT THE DATES

The Islamic date on each page comes from the Umm al-Qurā calendar, which is calculated in advance. In Nigeria the months are set by moon sighting, so the real date can be one day different. When your community announces the start of a month, follow it, and move your Hijrī dates by a day if you need to. This applies most to Ramaḍān and the two ʿĪds.

DAYS MARKED IN THIS DIARY

The white days (13, 14 and 15 of each Hijrī month), Mondays and Thursdays, ʿĀshūrāʾ, ʿArafah and the six days of Shawwāl are marked as days you may fast as a sunnah. Fridays have a Jumuʿah box.
